I hereby understand and acknowledge the following:

I agree to receive periodic account statements online through the Credit Union's internet banking application.

The Credit Union will not notify me when an electronic statement is ready for viewing.

I will no longer receive a paper copy of my statement.

Electronic statements will contain the same content as the paper version you have been receiving, which includes: account balances, transaction activity, electronic funds transfer information, year-to-date interest, and error notification procedures.

The choice (paper or electronic statements) that is recorded on our system on the day the statement is generated will be the only method used to deliver that month's statement.

Upon written request to the Credit Union, a paper-based statement can be reinstated on my accounts at a later date.
